

Increased efficiency in collections BRINGS IN ALMOST £3 MILLION to reinvest in council services

INNOVATE WITH SERVICE

Background

Services: revenues and benefits, property services and regeneration, fraud and error, IT, customer services and strategic HR and payroll.

What they achieved

Reduced budget deficit

Strong staff engagement

and job retention

Improved service levels and collection

A RICS award

for designs and delivery of family-friendly affordable housing

Regenerated local area

HOW they did it

Created a **shared service centre** and delivered a council restructure

Built a new service centre

in Nelson to regenerate town centre

Delivered a **disposals programme**

for council property across the borough

Increased levels of automation

with the introduction of e-billing and online council tax services

Added new service lines and launched new products

including **fraud and error** in council tax support and **housing benefit claims**

Results

"By continuing to work with Liberata, it means that we can **build on the improvements** made to date and **achieve even more** in the future."

Dean Langton,
Strategic Director and Head of Paid Service,
Borough of Pendle

12% increase

in NNDR charged
